Show Society Contact Directory

As the Mt Larcom & District Show restarts after the lapse of a year due to Covid-19, I can recall the starting of the 1954 show after a long break due to the depression and World War 2. No doubt, as then and now, there will be some trying times to have the show run smoothly again.

There has been many changes and lots of members have worked hard to bring these changes about, for this I sincerely thank them and wish one and all the very best as we work towards our 2021 show.
