Patrons' Message

As the Covid-19 pandemic is still with us, the Society to hold a show this year, has rules to follow and not all good for the holding of a show such as has been in previous years. Society Members have made the decision the show will be held this year if at all possible.

These are certainly difficult times and we all look forward to the return of the good show days.

The Society is congratulated on some decisions that have had to be made.

Best Wishes for a good show and see you all there.
