Patron's Message

We are looking forward to the 2024 Show. This year we celebrate the 70th Annual Show since the Society reformed in 1952. There have been many changes and challenges over the years, and we are thankful to the Committee of the day for getting on with the job of organizing this significant event. Sadly, our local area has lost a great number of folk willing to take on this work, and the Society now relies on others to help. Regardless of this, our volunteers, no matter where they live, are priceless for the time and effort they put in to assist. It is their input that has made the Show the success it has become, and for this we sincerely thank them. Thank you also to the many sponsors that are always generous in their donation and congratulations to the exhibitors for their wonderful efforts in displaying prize entries for the public to enjoy. It's a team effort all way round.

Best wishes to all and enjoy the 2024 Show.
