# Patrons' Message

*As we look forward to our 2025 Agricultural Show, we reflect on the legacy that the early Pioneers of this District left us since the first Show was held in 1919. It has taken many people putting in many hours of voluntary work to grow our Show to what it is today and for this we sincerely thank them. We also thank our valued Sponsors, Exhibitors and the community who support our Show each year and have made it the best Regional Show in Queensland.*

*As there is lots of work needed to prepare the grounds and buildings ready for this year's Show, on behalf of the Members, we invite you to also volunteer and help with this preparation. Every little bit helps. May you all enjoy the 2025 Show.*
