The Mount Larcom & District Show Society Inc operates under its 2026 Biosecurity Plan and the Biosecurity Act 2014 (QLD).

All exhibitors have a General Biosecurity Obligation (GBO) to:

- Ensure animals presented are healthy and free from signs of infectious disease
- Not bring any sick or injured animals to the event
- Provide all required documentation prior to unloading
- Follow directions of the Event Biosecurity Manager and Event Veterinarian

If an animal becomes unwell during the event:

- The animal may be isolated in a designated containment area
- Veterinary advice will be sought
- Removal, treatment or associated costs are the responsibility of the exhibitor

The Society reserves the right to refuse entry or require removal of any animal not meeting biosecurity or welfare requirements.

### 5. FEED & HUSBANDRY REQUIREMENTS

- Owners must supply all feed for their animals.
- Feed must be fit-for-purpose and free from contamination.
- Restricted Animal Material (RAM) must not be fed to ruminants.
- Swill feeding is strictly prohibited.
- Exhibitors are responsible for keeping enclosures clean and manure disposed of in designated areas.

## 6. SALE OF ANIMALS

Where animals are offered for sale:

- All dealings are strictly between the owner and purchaser.
- The Society accepts no responsibility for representations made or transactions conducted.
- BIN must be displayed where required under Queensland legislation.
- Animals must not be removed from enclosures except by the owner.

## 7. LIABILITY & WAIVER

I acknowledge that participation in the Mount Larcom Show is at my own risk.

I release and indemnify the Mount Larcom & District Show Society Inc, its committee, volunteers and associated persons from all liability for injury, loss or damage arising from my participation in the event.

I confirm that:

- All information provided is true and correct
- All animals comply with Queensland legislative requirements
- I understand and agree to abide by the 2026 MLDSS Biosecurity Plan
